At the end of each educational session, the attendee should be able to achieve the objectives below:

Headache: Office Evaluations and Treatment

- Initiate treatment of childhood migraine and chronic daily headache using an integrated approach with conventional pharmacotherapy as well as complementary practices.

Common Pediatric Orthopaedic Conditions: An Update on Diagnosis and Management

- Differentiate conditions that need urgent referral to orthopaedic surgeon versus those that can be managed in the primary care setting.

My Tummy Hurts: Chronic Abdominal Pain for the Primary Care Pediatrician

- Identify "red flag" signs and symptoms of chronic abdominal pain.

Just Scratching the Surface: What the Skin Can Tell Us About Health and Illness

- Identify mimickers of common skin conditions that may indicate systemic disease.

Buffering the Effects of Stress: How Can You Make A Difference?

- Implement at least one strategy for buffering the effects of stress in early childhood.

Recent Thought Provoking Articles In Pediatrics

- Develop strategies for providing patient-centered care in several clinical situations.

Integrative and Alternative Therapies for Headache

- Discuss and recommend the most common and effective mental therapies for headache management including biofeedback, relaxation therapy and cognitive behavioral therapy.

Precocious Puberty: Diagnosis and Management

- Discuss the definition, differential diagnosis, and evaluation of precocious puberty.

AAP Update

- Develop skills to assist in advocating for children's health.

PROS Update

- Describe the PROS Research Network and its mission.

DHEC Update for Clinicians

- Describe the current status of DHEC programs and how they affect clinical practice, including immunizations.

Medicaid Update

- Medicaid Q & A Session

Discuss political, economic, social and legal factors that impact decisions regarding children's health care in South Carolina.

Approaching the Child With Inattentive and Impulsive Behavior

- Recognize the range of problems that present as inattention and/or impulsivity.

2015 Annual Meeting
July 30 – August 2, 2015

The Omni Grove Park Inn - Asheville, NC

CME CREDIT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the South Carolina Medical Association and the South Carolina Chapter of the American Academy of Pediatrics. The South Carolina Medical Association is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The South Carolina Medical Association (SCMA) designates this "live activity" for a maximum of 12.00 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To be compliant with the AMA's "Physician's Recognition Award and Credit System," we require physicians to attest to the amount of time they are claiming credit – which should be commensurate with the extent of time they participate in a CME activity.

To assure compliance, we now require all physicians attending or participating in an accredited CME activity, to complete the "contact information" portion of the evaluation and, specifically, sign where indicated on the evaluation.

The 2015 South Carolina Chapter of the American Academy of Pediatrics Annual Meeting is designed for pediatricians.

The South Carolina Chapter of the American Academy of Pediatrics reserves the right to modify speakers, topics, and learning objectives as needed.

The South Carolina Chapter of the American Academy of Pediatrics will gladly assist registrants with special needs. Please make requests in writing on or before July 1, 2015.

HOTEL RESERVATIONS

To ensure a room at the The Omni Grove Park Inn at the established conference rate, (\$244 single or double) call 800-438-5800 and specify the SC Chapter of the American Academy of Pediatrics or go online at www.groveparkinn.com and on the reservation site enter the Group Code 072915SCCHPTAME. **There are a limited number of rooms held in our block. Any rooms left in our block will be released June 27, 2015.**

Registering early will ensure you the most convenient accommodations. **Resort Fee – Please note: The Resort Fee will be waived for the Chapter if you book under the South Carolina block of rooms.**

GROVE PARK INN KIDS' CLUB

The Omni Grove Park Inn offers a wonderful selection of kids programs. Call 828-252-2711, ext. 1046, for prices and details and to register your children in advance.

FAMILY FUN RUN

This year we are offering a mile long "Family Fun Run" at 6:30 a.m. on Friday, July 31 on the grounds of the Grove Park Inn. Please sign up in advance on the attached form.
